

Event: **2008 Direct Selling Associations Annual Meeting (1000 people)**
Location: **Phoenix, Arizona**
Results: **Standing Ovation**

"Jason Jennings was the highlight of our annual convention in Phoenix in 2008. He provided real world takeaways that all our attendees could use. We've had many great speakers but he was the best. Many attendees told me that if they heard nothing else at the meeting their trip was worthwhile just because of Jason' speech. Jason, thank you for making us look so good to our thousands of members!"
