

Client: **Hanley Wood Magazine Division for the NLBMDA Conference**
Result: **Standing Ovation from the 600 attendees**
Date: **November 2006**

"People raved about Jason Jennings' presentation throughout our entire NLBMDA/ProSales Industry Summit. He was informative, entertaining, uplifting and — I'd go so far as to say for some people — life-changing. Given that he was speaking to a room of pragmatic, tough-minded lumber and building material dealers, that's quite an achievement."
