"All of Toledo was "buzzing" after the superb presentation by Jason Jennings. Not only was the content of his talk relevant and inspiring, Jason's manner and style is refreshing and compelling. One of the best business speakers around, his passion comes through and no one walks away unchanged.

It was a pleasure to work with him and his associates as he understood and respected his audience. Jason is a "must have" speaker for any group that wants to make a lasting impact on their membership."
