Event: **SPECS 2006, March 2006, Orlando, Florida,**  
Notes: **1000 audience members, Standing Ovation**

"It was an absolute pleasure working with Jason Jennings. His general session address and follow-up session simply captivated our attendees! I honestly do not know how we will be able to top him in the future!

He is a great speaker and a great person and I admire his enthusiasm, professionalism and outstanding attitude.

I recommend him for any event without hesitation!"
